Introduction :

Image Engineering and technical institute at Ashalali, Ta. Matar, Dist. Kheda is organized by Shree Abjibapa Education & Charitable Trust.

Vision :

Be amongst the most admired centers of world class education to foster academic excellence, physical fitness psychological and spiritual health and social consciousness, committed to helping students leapfrog into the 21st century as independently thinking individuals imbibing traits of initiative and leadership to enable them to become world citizens.

Mission :

We aim at developing a well balanced and an international outlook in students who pass through the portals of the Academy. It is by living, learning and participating in activities that students learn to develop and relate to others. We also aim to provide an exciting all round education at the first stage in a personally fulfilling and socially useful life. We will feel as 'Sandipani Ashram' place for education.

-: Features & Facilities :-

Laboratory :

Fully equipped computer features : In this day and age, conversancy with computing of education. Therefore, computers are ubiquitous in the college and students trained to use it as a working tool, as naturally as they would use pen and paper.

Library :

The learning Resource center is the hub of all intellectual and academic activities of college. The college library has a large pool of resources viz, latest literature in fields as information, technology, general knowledge and the like.

For personality development, college arranges seminar and workshop for students as well as for Lecturers.

An arrangement of Job placement through campus interview.

College canteen provides students with meals that are diet planned and 100% vegetarian.

Transportation :
